

UAS NORWAY

UAS NORDIC CONFERENCE 2009

By Ole Vidar Homleid, Chairman of UAS Norway

Background UAS-Norway

The main areas of activity

Activities

Cooperation

Members & Board

Background:

UAS-Norway was established in January 2008 as the national UAS organization of Norway

The organization is non-profit and independent, open to all private and public businesses and organizations interested in unmanned aircraft

UAS = Unmanned Aircraft System

The main areas of activity for UAS-Norway are to:

Represent the UAS community of Norway

Promote a UAS policy that are in line with Norweagian UAS industry and operators

Suggest national UAS related committees for Norway

Promote Norwegian UAS industry and operators interests in international forums

Establish UAS-Norway as a natural consultation body in UAS-related matters

Promote and participate in rule development in co-operation with national and international organisations and authorities

Coordinate UAS activities with the national aviation authorities (CAA) and with ATC (AVINOR), and other other airspace users

Promote the knowledge about UAS, their usage and benefits

Activities:

Participated at EUROCONTROL UAS ATM Integration Workshop, Brussels

Represented in the EUROCAE WG-73 Subgroup 4 on VLOS UAS

Participated in the AMAP Workshop: "Necessary Steps for Using Unmanned Aircraft to Monitor the Arctic Environment" in Oslo

Participates with members in COST ES0802
“Use of unmanned aerial systems (UAS) for
atmospheric research”

Participated at UVS-TECH 2009 in Moscow
with a presentation.

Participated at UAS 2009 in Paris with three
presentations

Organize UAS Nordic Conference 2009 together with Norwegian Flight Operational Forum, Oslo

Participated with members at European Commissions Survey on Non-Military Applications for Light UAS (LUAS) and the follow up meeting in Brüssel

Regular meetings with the Norwegian CAA

Cooperation:

International cooperation with UVS International

Participate in the International Coordination Council (ICC), an international advisory group initiated by UVS International

Members:

- Alfatroll AS
- Scandicraft AS
- Odin Aero AS
- Robot Aviation AS
- Norut, Northern Research Institute
- Prox Dynamics AS
- Nordic UAS AS
- Linjefly AS

- **Andøya Rocketrange (Andøya Test Senter)**
- **Maritime Robotics AS**
- **Tellmie AS**
- **ET-Air AS**
- **Simicon AS**
- **Ultimax AS**
- **Simrad Optronics ASA**

Board:

Chairman: Ole Vidar Homleid, Robot Aviation AS

Deputy chairman: Tor Olav Steine, Alfatroll AS

Treasurer: Rune Storvold Norut

Secretary: Dag Henning Paulsen, Prox Dynamics AS

Contact government: Even Birkeland (Sensair AS)
